QUESTION 1

a) At the age of 65, Mr. Benjamin Hurst, who was a Malaysian resident, suffered a sudden and massive heart attack while dining at the family home in Cristal Serin, Cyberjaya. He was hospitalized and finally succumbed to his ailment at 11.30 am on 31st August 2019.

Mr. Hurst left behind a wife and three children. His wife, Dr. Annabel Hurst was an ophthalmologist (eye specialist) in Gleneagles Kuala Lumpur. Their first child was a 25-year-old lecturer, who was studying Ph.D on part-time basis. Their second child was 21 years old and married. She was a full-time medical student in University Malaya. Their youngest child, a 19-year-old boy, had just started his first year as an accounting undergraduate in Multimedia University.

Prior his death, Mr. Hurst owned two businesses whereby one operated in Malaysia while another was in Singapore. The information related to these businesses are as follows:

Business	
1. Bubblé Tee Shoppé, Damansara Utama, Selangor.	Adjusted income RM134,100 Capital allowance RM 4,400 Balancing charge RM 2,600
2. Hoity Toity Snack Mart Upper Jurong Road, Singapore.	Adjusted income RM101,000

Besides his businesses, Mr. Hurst had gotten the following income from his multiple investments.

Investment	RM
Interest from fixed deposit account in Maybank Bhd. (received on 31 st December 2019).	5,750
Fixed interest from savings certificates issued by the Government of Malaysia (received on 30 th June 2019).	1,120
Dividend received from exempt income account from Alliance Unit Trust Bhd. (received on 31 st August 2019).	1,330
Single-tier dividend received from Dragon Fortune Bhd. (received on 31 st December 2019).	880
Monthly rental of fully-furnished apartment in Damansara Avenue	5,375

Before he passed away, Mr. Hurst had sold his land in Ipoh for RM950,000. The land had been in his possession for the past fifteen years.

In his will, Mr. Hurst appointed his solicitor to be the executor of his estate with an annual remuneration of RM60,000. The will also state that Dr Annabel is to be paid an annuity of RM36,000 per year.

Continued...

Mr. Hurst, when he was still alive, has paid for the following expenses during the year.

- Full medical examination package costing RM1,000 for Mr. Hurst.
- RM1,500 deposited to Skim Simpanan Pendidikan Nasional (SSPN) for the third child.
- Life insurance premium for Mr. Hurst totalling RM6,500.
- Medical insurance premium of RM4,000 for Mr. Hurst and Dr. Annabel.
- Purchase of tablet and smartphone for children totalling RM10,750.

Required:

Calculate the income tax payable for Mr. Hurst and his estate for the year of assessment 2019.

Note: Assume that Dr. Annabel opted for separate assessment and child relief is to be claimed by Mr. Hurst.

b) Tuan Haji Abdul is a millionaire who made up his fortune through successful business ventures and savvy investments. Now, he is planning to enjoy a quiet retirement life in his rural cottage with his wife.

Based on the legal advice of his personal lawyer, he plans to divest his properties to his four children before December 2020. His plan is as follows:

- i. Adam, who is Tuan Haji Abdul's firstborn child, is to receive three blocks of shop houses in Kajang along with the rental derived from the property. Adam was born in 1987 and he is unmarried.
- ii. Bahiyah, as the second child, is to receive an investment portfolio of shares listed in Bursa Malaysia as well as bond certificates. She was born in 1993 and is in the midst of divorce. Worried on the possibility that the investment portfolio may be claimed by Bahiyah's soon-to-be ex-husband, Tuan Haji Abdul exerts his right to revoke the settlement at any time he deems fit. Once revoked, the portfolio and all its income will belong to Tuan Haji Abdul until his death.
- iii. As the third child who is 25 years old, Camelia is to receive a five-storey office building in Shah Alam. She is to manage the rental and any subsequent details in regard to the property. In consideration of his daughter's fragile health, Tuan Haji Abdul insists that should Camelia pass away before him, the entire property will revert back to him.
- iv. The youngest child, 22-year-old Daniel is to receive two rental houses and treasury shares. In view of Daniel's age, Tuan Haji Abdul wishes for him to focus on his study while learning the basics of investment. Therefore, Tuan Haji Abdul will be the one to manage the assets on behalf of his son and maintain his right to make use the income derived from the assets for his own personal purposes.

Continued...

After drafting this plan, Tuan Haji Abdul decides to seek further professional opinion. As a tax consultant, you are tasked by your superior to explain to Tuan Haji Abdul on the tax implication of his plan.

Required:

Explain, with reasons and relevant Sections, as to whom will be assessable on the income arising from the above transferred assets.
